

Dear Parent/Guardian,

Below you will find the Photo Release Form and the Student Acceptable Use Form. The Photo Release Form is for your consent to use your child's picture in situations such as the school classroom, school yearbook, and the newspaper (if there is a school activity that is being covered by the local newspapers such as spelling bee, curriculum fairs, classroom special activities, etc.). The Student Acceptable Use Form is for your consent to allow your child to use the internet in the classroom under the supervision of the classroom teacher for research, assignments, and other educational activities. The school district filters internet websites that may be questionable and will not allow the student access to these sites.

PHOTO RELEASE FORM

I hereby give my permission to the Juniata County School District to review, discuss and take photographs, slides and videotapes of the individual named above. I give permission for my child's name and other potentially personally identifiable information to be released.

I give my permission to JCSD to use the discussions, finding, and photographs, slides and videotapes for the purpose of educational trainings and media publication.

I understand and agree there will be no compensation for use of these written or visual materials. I also agree to release and discharge JCSD or the local media from all claims and demands of any nature whatsoever arising from or with respect to the use of any interviews, photographs, slides, or videotapes.

This release shall continue in effect for the 2017-2018 school year or until I give JCSD written notice to terminate the use of interviews/pictures of my child, family member or self. Such termination shall not affect the use of any written or visual material obtained before the notice of termination.
